

## Policy on Same-Gender Marriage

In keeping with the Constitution of the Presbyterian Church (USA), the Session understands that marriage is a gift of God given to all humankind for the wellbeing of the entire human family. Marriage involves a unique commitment between two people to love and support each other for the rest of their lives. For Christians, marriage is a covenant through which two people are called to live out together, before God, their lives of discipleship. The sacrificial love that unites the couple sustains them as faithful and responsible members of the church and the wider community. The Session will follow the wedding guidelines the church has established for weddings for all couples regardless of gender.
